Sir:

In accordance with 37 C.F.R. §§ 1.97, and 1.98, and in compliance with the duty of disclosure set forth in 37 C.F.R. § 1.56, Applicants are submitting herewith a copy of the European Search Report for European Application No. 05002665.7, which is related to the above-captioned application ("the Application"). The references cited in the European Search Report have been submitted in previous Information Disclosure Statements.

Applicants respectfully point out that the submission of the European Search Report in this Information Disclosure Statement is not an admission that it or the references cited therein are prior art or that they are material to patentability of any claims of the Application. Also, the submission of this Information Disclosure Statement is not an indication that a search has been made.

This Information Disclosure Statement is being submitted within three months of the Communication from the European Patent Office dated April 21, 2005 that included the European Search Report for the related European application. Therefore, it is believed that no fees are necessary in connection with the submission of this Information Disclosure Statement.

However, in the event that the U.S. Patent and Trademark Office determines that such fees are necessary, the Commissioner is authorized to charge such necessary fees to the undersigned's Deposit Account No. 50-0206.

Respectfully submitted,

HUNTON & WILLIAMS LLP
